The Landmark Beacon September 2016

Greetings!

Welcome to the Inaugural issue of **THE LANDMARK BEACON**.

Many times when people think of insurance they think of protection in times of distress, whether that be the death of a loved one or an accident of some kind.

At Landmark Insurance and Financial Group we strive to be there as a beacon of light when the storms of life are raging. It is our hope that The Beacon will be informative and educational as we keep you abreast of the community happenings at Landmark as well as timely topics in the world of insurance.

The Savvy Independent

I just wanted to share some reasons to buy from an INDEPENDENT AGENT.

LANDMARK INSURANCE & FINANCIAL GROUP represents multiple insurers. Therefore, we can obtain quotes from several sources – the price and coverage can vary from one policy to another but we are here to help you effectively compare policies and choose the one that best suits your needs. Our knowledge allows us to submit your business to companies who want to insure the type of protection you need as opposed to submitting applications that could be rejected. We can be as general or as specialized as you need us to be as we don't work for an insurance carrier we work for you! We look forward to guiding you in your quest for coverage. Placing your trust in **LANDMARK** is a savvy decision.
