### Greetings!

Longer days, family vacations, picnics in the park, sunny days at the beach – It's Summer and yet it's hard to believe that we are well into August. Where has the Summer of 2017 gone?

Your Landmark Team is ready to help you transition into fall. You may be preparing for a newly licensed driver to take to the road, needing coverage for a college student living away from home for the first time, seeking life or health insurance for an older child that has aged out of your benefit plan or maybe you are thinking about the harvest ahead and want to be sure your farm is properly covered. In the midst of any of those life events and so many more - we are here!! Stop in and *Keep Company With Us!!*

### Your Landmark Insurance Team

#### **Blessing of the Combines**

The 19th annual Blessing of the Combines was held in Snow Hill last weekend and Landmark was there. Antique Tractors and State of the Art Combines made their way down Green Street awash with people. Animals, Music, Games, Food and Vendors

were all present as the farming community looks forward to a bountiful harvest season.

Landmark loves farms and Angela McCoy and Karen Goodyear are eager to help you with all of your farm insurance needs.

---

## The Savvy Independent

Boxes are packed, the tool box is ready (trust me, you will need it), the car is loaded and your family is heading out to get your college student settled in their home away from home. But wait - "Will all of this be covered by insurance when it is not in our house anymore?"

A quick phone call to your Landmark Homeowners Insurance Agent can certainly answer that question and provide you with Renters Insurance should it be required for off-campus housing.

There may also be money saving adjustments that can be made to your auto policy if your child is not attending a local college and is leaving their car at home. We are here to help you at every turn life takes.

Speaking of College.....September is right around the corner and it is **National College Savings Month**. Jill can design the perfect plan for your budget!!

---

## Mr. McTidbit

August is "What Will Be Your Legacy Month" as well as "National Golf Month". When I hear the word legacy I can't help but reflect on the life of my father, Charles McClenahan. One of the many things that Dad started years ago was a benefit golf tournament, "The Charlie Mac Open".

That tournament has not been held for quite some time but it will be this year!! United Need & Abilities has partnered with my family and Landmark Insurance & Financial Group to hold The Charlie Mac Open Memorial Golf Tournament on Friday September 29th at 1:00PM at Nutter's Crossing Golf Club in Salisbury. I can think of nothing Dad would like more than to think of friends and customers playing a round of golf in his honor while helping those in need. If you don't play, join Landmark in Sponsoring this worthwhile event. Give me a call for details.
